SPEAKER: Debate has ceased. Senator Warner, do you care to close?

SENATOR WARNER: Very briefly, Mr. President. I realize you have other things on the agenda. The great Peyton once said, very briefly, despite Senator Cavanaugh's contention that this has nothing to do with highway safety, he could be no more wrong than in any statement he has ever made than he is in that one. It does affect highway safety. The other accidents that I did not give you reports of, one of which the vehicle was in the middle of the road and what I said to you not that other accidents will not happen but the passage of roadside hunting has increased the incidence of frequency with which an accident could happen and that is a fact. That is exactly what has occurred. Now you can talk about the other incident...the other issues incident to that one which is the relationship of the farmer and the hunter and a whole host of other things which are also valid but I don't know how much experience the Sportsmen Club or Senator Syas wants, and I do not intend to make an emotional argument out of this, but I don't know how many fatalities they want. For me, one was enough. With that, Mr. President, I would urge the body to place the bill on General File.

SPEAKER: The question is, shall LB 113 be advanced to General File notwithstanding the objections of the Committee. Have you all voted? Have you all voted? Senator Warner.

SENATOR WARNER: I guess I will have to ask for a Call of the House and Senator Chambers, I understand what you are talking about.

SPEAKER: A Call of the House has been called for. Indicate your presence. We are voting now to go under Call. Have you all voted. The Clerk will record.

CLERK: 21 ayes, 3 nays to go under Call.

SENATOR WARNER: Excuse me, Mr. President, I would ask for a Roll Call vote. I know that there were two or three Senators who went out of the Chamber who indicated they wanted to vote on the bill. Perhaps if we had a Roll Call vote, they would be here.

SPEAKER: Record your presence. Will the Sergeant at Arms please find the absentees?

CLERK: Roll Call vote taken. See Pages 1072 and 1073, Journal.

SPEAKER: Senator Marvel, do you care to...not voting. The Clerk will announce the vote.

CLERK: 29 ayes, 13 nays, remainder not voting.

SPEAKER: Motion has been made the Call shall be raised. The Clerk will record.

CLERK: 24 ayes, 6 nays to raise the Call.

SPEAKER: The chair recognizes Senator Marsh.
